

## SACTA Junior Coaching Clinic with Russell Mark

On Saturday May the 3<sup>rd</sup> The South Australian Clay Target Association held a junior coaching Clinic at International Gun Club in Adelaide. Head Coach for the day was Olympic Gold Medallist Russell Mark. Sixteen juniors attended the clinic with some travelling from a far afield as the Eyre Peninsula, Mount Gambier and Bordertown.

Russell began the day by teaching the kids correct foot stance and utilising the pattern board. Later in the afternoon a 15 target double barrel competition was shot with a shoot off, Adam Feder from Bordertown came out on top.

Last Event for the day was an “Annie Oakley”, which was a novelty for many of the kids who had never shot the event before. At the end two shooters Billy Brawne and Jesse Murrell were left on 25 metres with Jesse victorious.

SACTA would like to thank Russell for taking time out of his busy schedule to help coach the juniors. Also to those who donated ammunition, Tim O'Connor and Bronzewing Ammunition, Bronte Evans and Bob Andrews. Big thanks to International Gun Club for use of the range and also donating the clay targets for the day.
