PRESIDENT'S REPORT

Hi everyone, well another year has passed, and I hope you have all been enjoying your shooting.

SACTA have held successful DTL and Skeet Carnivals again in 2019 albeit with some last-minute challenges concerning camping at State Shooting Park, these were addressed to the best of ICTC and SACTA's ability at the time considering we had approx. one only weeks' notice before the DTL carnival. Some of the issues were addressed by the Skeet Carnival and at this time, after many phone calls and meetings, I believe that we have achieved most of the outcomes we were after but are waiting for this to be confirmed in writing.

I would like to thank the Executive members and all other volunteers for the work put into both these Carnivals, before, during and after the events.

Thankyou also to Mt Gambier CTC for conducting the SACTA State Sporting Carnival.

Congratulations to all the Winners at the Carnivals and to all SA shooters who made the teams to represent SACTA at the respective Nationals.

Congratulations to all teams for winning the best presented at both the DTL and Skeet National Carnivals. Congratulations also to the Veterans Skeet and the Junior DTL teams for winning the National Teams events. We also had 2 SA Ladies make the All Aust Ladies Mackintosh Skeet team and Junior member represented in the Junior Mackintosh Skeet team.

The sad news for the year was the loss of our well known members in the passing of Artie Dalle-Molle a founding member of International CTC, Ron Smith a Lower North member and former National Championship winner and Bob Crane a well-known member of Kingston SE CTC. I would like to pass on Condolence's to all of their Family and Friends from SACTA and its members.

I would like to thank SACTA's Sponsors for their generous support of our Carnivals and members in 2019.

In closing I would like to wish all members a safe and prosperous 2020.

Yours in Shooting

STATE COACHING REPORT

Hi Everyone.

Well, yet another year has come and gone, and we continue to do whatever we can here in South Australia to encourage growth in our sport. I would like to thank members of our State Executive team that have taken on roles within development of our competitors and especially our juniors.

With our National Coaching Director Suzy Corry paying us a visit over the Junior Championships last year, a few of our shooters took up the opportunity to become accredited Club Coaches. Suzy, (as always), spent a few days with us, and a number of competitors (especially juniors) took up the opportunity that was given to them by our Association, to learn and hone new skills over the 3 disciplines, and they have hopefully put them to good use by now to help move them forward.

Suzy held Competition Coach sessions interstate for those wishing to start the process in gaining accreditation, and SACTA had representation there again this year.

Two of our juniors were selected and invited to participate in the Junior training Academy interstate and returned here filled with hope and a burning desire to engage and go further. The camp is perfectly structured to both provide great training to the participants and facilitate interactions and building friendships among all the students.

During the past 12 months, we also facilitated a junior training with a difference at Monarto. Luke Higgins, Flinders University Lecturer (Optometry), was asked to speak on the 'Human Visual System'. His topics included General ocular anatomy (how the eye works), what makes up vision, the complexity of sight, and how to get the most out of it, as it has a direct correlation with our scores. Mike Fenwick (Sports Psychologist) also gave our future athletes a lecture on enhancing consistent performance using the mind/body connection.

Other trainings continue to be held at various Clubs as they do throughout the year. While at Mt. Gambier a C & T day saw 60 new shooters introduced to our sport. Promoted through social media and with a very nominal fee, 75% of the participants were ladies – Great Work!!

Overall, a very proactive and productive year for anyone and everyone that wanted to be a participant in our trainings

Re-accreditations for all our Coaches were again in the spotlight with new laws being brought in for Working with Children Checks from July 1, 2019. It has now been legislated that all Coaches and club members participating in coaching and training under 18's must complete this to be certified and accredited.

SA is fortunate enough to have qualified Club and Competition Coaches available to provide coaching days/seminars throughout the State. Clubs interested in acquiring the services of these accredited and experienced coaches to arrange training days, should contact me.
